A red circular stamp with a textured, paper-like background. At the top, two white Japanese flags with red circles are crossed. In the center, the text '敬老の日' (Respect for the Aged Day) is written in large, white, bold Japanese characters. Below the text, there are two white line-art illustrations of elderly people, a man on the left and a woman on the right, both smiling. Small white hearts are scattered around the central text and figures.
